

Contractor Spotlight:

Trinkle Design Associates

Trinkle Design Associates, an interior design firm specializing in floor covering, was founded by Bernard L. Trinkle in 1988. Bernard, more commonly known as Buddy, was President of Andreozzi & Trinkle from 1976 to 1988. Before that, Buddy worked with his father at Trinkle Floor Covering which was in business for over 35 years.

Located in East Providence, Rhode Island, Trinkle Design Associates specializes in helping heavily-used environments, such as hospitals and schools, look and function more effectively. They are a full service company, offering many services such as design and space planning services, furnishings, wall coverings, and window treatments. By creating a better overall image and increasing the functionality of these

spaces, Trinkle Design Associates helps their clients achieve higher productivity and morale.

As said by founder Buddy Trinkle in the Trinkle Design Associates Mission Statement, “Our work force drives our success. Individually and collectively, we understand our mission, our core values and beliefs, and the strategic approaches necessary for continued success. We are committed to a corporate vision that has inspired us, and is at the heart of our earned reputation for attention to detail and outstanding personal service. That will not change.”

Regarding FCICA, Buddy states that he is a member of FCICA because he is intent on making quality installations the foundation of his firm's reputation. He believes the knowledge of the members and the contacts he has made through the years has brought value to him to be a member.
